Youth Voice wants to work with youth leaders ages 14-30.

1. Why is this age range important?
2. How you can help us work with youth ages 14-30?

Youth Voice wants to work with youth leaders from every system and even with youth not in any system.

3. Why do you think working cross system and with youth that are not a part of a system is important?

We believe that people can use their experiences as an expert.

4. What would you say your expertise is?
5. Do you have any experiences you would be willing to share?
6. What interest do you have in any area impacted by youth?
7. Are there any systems that you are familiar with?

Youth Voice vision statement is to find youth leaders, train & educate them, and then continuing to work and support them back in their communities as a: Peer Provider, Advocate & Subject Matter Expert, Community Developer, and/or Policymaker.

8. How do you think you can help with this?
9. What sort of commitment can you provide to Youth Voice? (Number in order of interest)
