

National Youth Involvement Month

November 24-30

Get Recognized!

Thank you for participating in the American Red Cross National Youth Involvement Month! Youth all across the country, just like you, are helping communities prepare, encouraging our heroes, giving life by donating blood, and collecting funds to support our mission.

Send your photo or videos and a description of your event to youthinvolvement@redcross.org or post them on our Facebook group: American Red Cross Youth Network. We will post submissions on redcrossyouth.org!

Also, don't forget to post your Club Events in Volunteer Connection on your Club GroupShare page! Use #NYIM to join the conversation on social media!
